invite you to attend a **Congressional Briefing**

Diabetes and Vision Loss

Tuesday, September 13, 2011 • 12 pm • Rayburn B-339

Lunch will be served at this widely attended event (RSVP appreciated)

Mark G. Ackermann, President and CEO
Lighthouse International
Presenter

Neil Bressler, MD, Professor of Ophthalmology
Chief of Retina Division, The Wilmer Eye Institute, Johns Hopkins Hospital
Featured Speaker

Diabetes is the leading cause of new cases of blindness among Americans ages 20-74. With the surge of diabetes in the US, this problem is only expected to get worse.

Join us for an in-depth discussion of diabetes and vision loss — and what can be done to quell this mounting public health crisis.

To RSVP, please e-mail Dina Beaumont at dinabeau@aol.com
